a kaleidoscope of colors and people and places and memories a kaleidoscope of colorful ingredients and characters bits and snatches of almost memories and half forgotten names of your classmates shifting changing people who leave and come and go and people you never meet and some you'll never forget even after

this is po-hi perhaps a part of it only things we remember the new lounge and building and people rehearsing for a play and smells from the cafeteria the poncan the student body praying in assembly the magazine sale prom clubs the victory flag new teachers in the classroom new faces new plans new ideas suddenly old and used and accustomed unexpectedly

only pieces of it only snatches that we remember lectures to listen to classes to go to people to meet problems to suffer papers to worry over and crises to solve new fads the school colors class rings the panic grades grades grades and what else was here but these things

and we came to po-hi new to it all and pushed our ideas and our ways and ourselves into the pattern and turned it and moved it sometimes with joy and cheers or grief or worry and it twisted at our touch and a pattern emerged and it was the same after all but different than the years before and hard to hold onto or show someone else as it changed all the time even as we touched it and held it in our hands like the strings of the world in our hands it changed

that was po-hi and to it we dedicate this our yearbook to the po-hi that was and the po-hi that is ours to the po-hi that is yet to come whose face we do not know to the po-hi that we have disliked and the po-hi we have loved alternately despairingly continually to its problems and its changes to its difficulties and its inspirations to its past and its present and its unknown future **we the staff dedicate the 1962 cat tale**

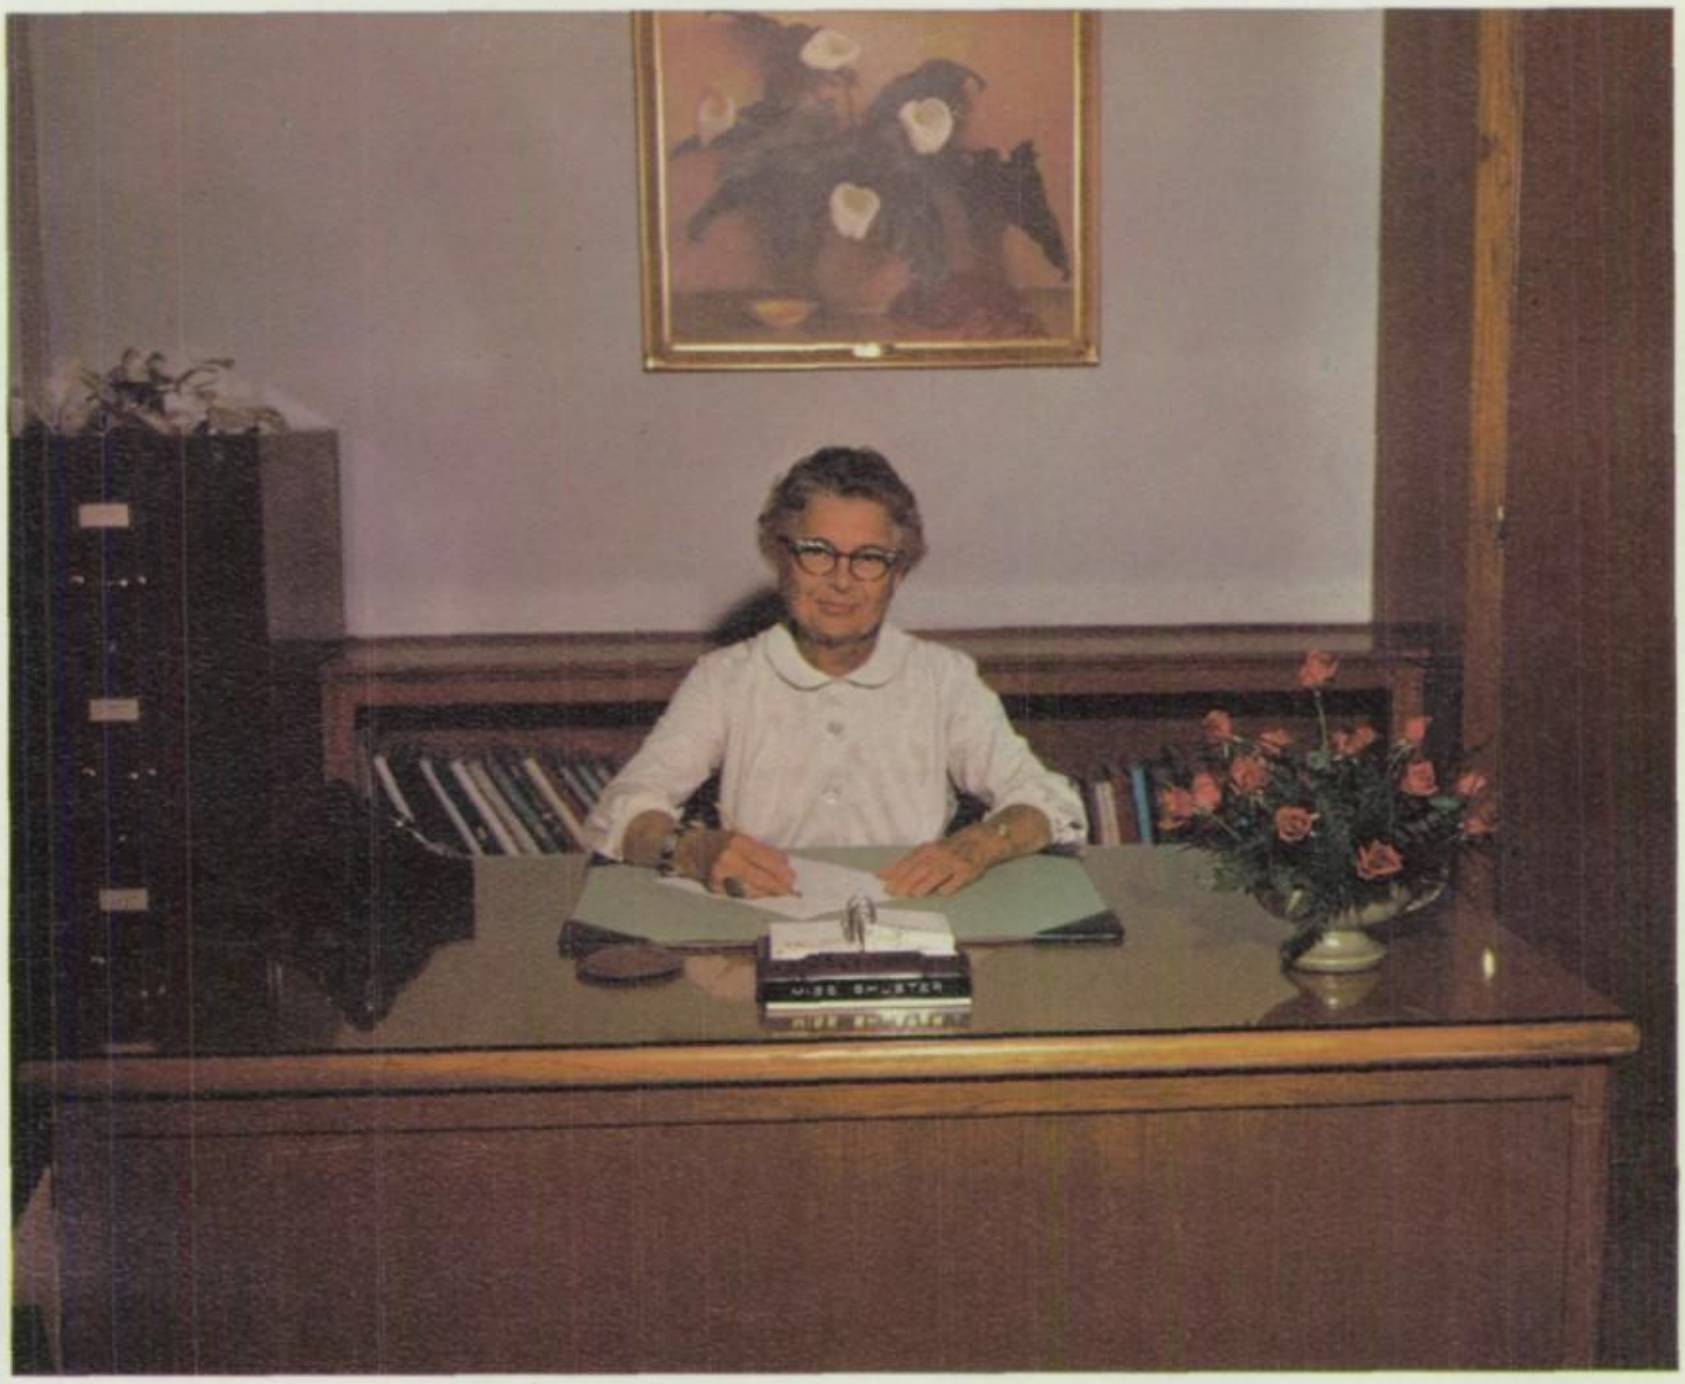
Director of Student Activities



MISS LILLIAN SHUSTER

"What is school spirit? Perhaps it is everything connected with school life—the buildings and the spacious campus, the American Flag against a blue sky, the War Memorial with a wreath beneath the Gold Star names, the student council in session, a group planning a skit for the Panic, early morning buses bringing students to school, seniors lining up for commencement—perhaps school spirit is all these things . . . Perhaps it is.

Perhaps it also includes the love of these things, the spark that makes them go, the fun and fellowship, the challenge of class discussion, the desire to achieve, the hopes and the disappointments.

School spirit—a thing to be felt, not seen, to be cherished, to be enriched—caught, retained, remembered."

Miss Lillian Shuster, Director of Student Activities, wrote these words about Po-Hi. They have truly been and continue to be the philosophy of her life. Giving of her time and ideas unselfishly, she helped pioneer the homeroom movement and the organization of student councils in Oklahoma. She served as Executive Secretary for the state of Oklahoma in the National Association of Student Councils and sponsored the Oklahoma delegation at the national convention.

At Po-Hi Miss Shuster helps with almost every activity the school undertakes—the CAT TALE, the PONCAN, the school clubs, the Pon-Dram Panic, and many others. Her supervision and editing of the Kat-Keys, the student directories, and the commencement programs make them publications of which we can be proud. We owe the rituals of the initiation of Citizens of the Month and the installation of student officers to her originality and interest in Po-Hi.

"I can't" are two words Miss Shuster never uses. As a big sister to every faculty member and student at Po-Hi, Miss Shuster epitomizes selflessness. Her serenity and patience are an example to all who come in contact with her.

We at Po-Hi can never express how much Miss Shuster means to us and to the school. We feel that Miss Shuster is truly "the spirit of Ponca City Senior High School."

By word and by picture the achievements and activities of another year are recorded here. Those who prepared this book are to be congratulated for the originality and fidelity with which they have portrayed the "happenings on the hill." But the excellence and worth of a yearbook do not depend entirely upon the skill of the staff. Since this CAT TALE reflects the spirit of the school, every student had a part in its preparation. As you turn these pages may your pleasure be increased through the knowledge that your contribution to Ponca City Senior High School was all that it should be—that you did "help in all her undertakings" and thus made her a "stronger and nobler" school.

Mrs. Dunn, Mrs. Reeves, and Mrs. Sanders are the secretaries of our main office in the Howell building of Po-Hi. The secretary of the office in the new C building is Mrs. Heffron. Their courteous and considerate help is appreciated by Po-Hi students, all of whom have needed their service at one time or another.

Mrs. Keller is Miss Shuster's key worker. Together they handle many of the important activities of our high school.

Mrs. Heinze, secretary of the financial office, conducts the treasury of Po-Hi most efficiently with the help of student and faculty workers.

Mrs. Chambers is the secretary of the school library who works in the back room. She also helps students in finding and selecting books that they need.

The jobs done by the students in school offices are some of the most essential work in the school. Every day of the school year these people give of their time to help your day run a little more smoothly. They truly live up to the saying, "anything worth doing is worth doing well."

FINANCIAL OFFICE: Lacricia Pence, Gary Gellerman, Mary Swenson, Joneella Heinze, Linda Rutter, Carol Nickles, Carolyn Carter, Larry Clynch, Lynda Christie, Jerry Hiatt.

MRS. RUBY CHAPMAN

Under the supervision of Mrs. Chapman, over 1000 meals a day are prepared. Every meal is coordinated with nutritional value, variety, and economy always in mind. The adult employees are always busy preparing and serving food and keeping around fifty tables clean.

With the new cafeteria, work is still work, but far from drudgery. There is not as much need for student help this year with the new "tray line" which brings the trays right to the dishwashers, but they still keep the boys busy.

There is a new snack bar which takes one-third the load from the main lines. Included on its menu are chocolate and vanilla malts.

All this work is done quickly and efficiently throughout the year to keep the cafeteria running smoothly.

STUDENT HELP: Frank Waters, Charles Lickliter, Buddy Durheim.

BOOKSTORE: Janet Martin, Sandra Tomblin; Billie Neal, Linda Anderson.

Infirmary

Did you say that you were sick? Head for the infirmary! Each day fourteen girls give up a daily study hall to serve our school in the infirmary. These girls see that the ill students are taken care of properly.

Custodians

We, the students of Po-Hi, go to school in one of the cleanest schools in Oklahoma. We owe our thanks to the eight custodians who unfailingly serve us through our school term.

First row: Arlie Eberle, Charles Potts, Lawrence Cloudd, head custodian, Flody Cobb; Irvin Sackett, Ralph Ganer, Paul Lemaster, and Matthew Moore.

Library Student Help

Clinton Cooper, Dorothy Hack, Karen Teichmer, Kay Sherrod, Beverly Watson, Joyce Sugg, Frances Drake, Candy Trout, Karen Maker; Nils Richardson, Walter Sherrod, Curtis Taylor, Diana Mehring, Kathy Harper, Yvonne Meadows, Nedra Moore, Salley Chapman, Mary Livermore, Janet Hiatt, Diana Grunewald. *Not pictured:* Bonnie Alston, Pat Thompson, Bert Blumer, Marjorie DeWitt, Loreta Hutchinson.

Versatility is one characteristic of student workers in the library. Students may help at one of three positions: the reception desk, the magazine desk, or the loan desk.

Duties at the reception desk include giving and receiving passes. Students at the magazine desk check out the magazines. Helpers at the loan desk check books in and out.

Each student gains an intimate knowledge of the library and how it operates. Each also enjoys the privilege of having first choice at new books.

Bus Drivers

ALL ABOARD! During the nine school months, stormy or fair, the bus drivers are responsible for the transportation of our Po-Hi students.

MILES AND MILES! Three hundred and fifty-two times a year bus drivers enter and leave Po-Hi's campus.

ASSES

Senior Class

Ronnie Wright, President; Terry Thompson, Vice-President; Alverta Stotts, Secretary; Mr. Floyd Focht, Sponsor.

Nearly five hundred boys and girls started the first grade in Ponca City in 1950. This year approximately three hundred eighty-five seniors will graduate from Ponca City Senior High School. Two hundred seventy-five of these seniors plan to attend college; thirty-five will go to the University of Oklahoma, seventy-seven to Oklahoma State University, eighty-one to Northern Oklahoma Junior College, and eighty-two will attend various other colleges and universities throughout the nation.

One hundred eighty-two of the seniors of 1962 were born in Ponca City; another one hundred five were born in other parts of Oklahoma; twenty-one other states, Washington, D. C., Ukraine, Australia, Hungary, England, and Scotland were the birthplaces of the other ninety-eight seniors.

We seniors have memories: our sophomore assembly, our first clash with geometry, our junior play, our class rings, our struggle with *Macbeth*, our football victory over Blackwell. We leave Po-Hi with our hearts and faces turned to the promising future.

NELLY PONGRACZ

Av. Dr. Vieira de Carvalho 115, Apt. 92
Sao Paulo, Brazil

Dear Po-Hi Friends:

Always I have dreamed of an opportunity to study in the United States. When I applied for the American Field Service scholarship, I never really thought that I would get it. One evening last summer, a phone call notified me that in twenty days I was to come to Ponca City, Oklahoma, to live for a year. I don't have to tell you how happy I was because my greatest desire had come true. It was the beginning of the most wonderful year of my life, and the beginning of many new experiences.

I'll never forget the friendship with which you received me. I will be always thankful to Mr. Anderson, Miss Shuster, the teachers and all the students of Po-Hi.

It has been a wonderful school year, together with you all, yelling for our great Red and Blue Wildcats, helping Mrs. Oates' homeroom, the good food in the cafeteria, and all the school friends; I'll never forget the fun we had together.

I'll go back to Brazil with a wonderful impression of the U. S. A. and Americans, and I'll tell everybody of the wonderful experiences that I had.

I hope that with my stay with you, you have a better understanding of Brazil and Brazilians. I think this is very important between two nations.

I would be really happy to exchange letters with you all and I wish one day each of you could come to Brazil to visit me.

Thank you again for your friendship and the wonderful year that you made possible for me.

The 1962

Donna Wolfson
Editor

Long before school started, plans were being made for the '62 CAT TALE. We have tried our best to follow the pattern set in former years as well as setting a new one.

Although we lost a little sleep, weight, and worried a lot, we enjoyed every minute of preparing your 1962 CAT TALE.

The 1962

"All I want is the facts." This is a common sentiment expressed by journalism students as they strive to make each issue of The PONCAN more interesting and entertaining than the preceding issue.

Designed to inform and amuse the student body and faculty, it also serves to train members of the journalism classes in the principles of good journalism.

Hey! Hey! What do ya' say? Po-Hi cheerleaders lead the way!

Peppy and alert cheerleaders certainly lead the way toward many good times at all sports events. They lead the songs and cheers which build up Wildcat spirit at the football, wrestling, and basketball games. Their pep stunts entertain the students at the pep rallies and they travel often to give the team encouragement. This year they received top honors at the Cheerleading Clinic at Norman.

Library Club

OFFICERS: David Harris, Vice-Pres.; Kay Sherrod, Treasurer; *Miss Curtis, Sponsor; Curtis Taylor, President;* Donna Hallmark, Secretary.

It's all in a day's work.

The Library Club, organized twenty-two years ago, deals with improving the scope of literary interests. It sponsors a Bookworms Breakfast and an annual trip to the University of Oklahoma campus for Library Club Day. The club creates additional opportunities for those interested in improving their skill in the library and with things that are connected with library needs.

MEMBERS: Marjorie DeWitt, Louise Stubblefield, Loraine Reed, Kay Sherrod; Janet Hiatt, Karen Maker, Donna Hallmark; Walter Sherrod, Curtis Taylor, Jerry Wintermute, David Harris.

"A funny thing happened to me on the way to school today . . ."

Hard work, fun, friendship, and trophies for the best speakers are things experienced by members of the debate squad. They further their knowledge in a variety of subjects and learn to sell a thought. The members work hard gathering material and practicing speeches. Analytical thinking and skill in speaking are the goals of students.

The Girls' Recreation Association was organized at Ponca City High School to increase interest in girl's sports, to deepen loyalty to the school, and to promote sportsmanship in all sport activities.

Physical fitness is one of the achievements attained by a good G.R.A. member. She must have an interest in sports, sportsmanship, and the out-of-doors. Through their fine playing and sportsmanship they are a great asset to our school.

These girls are on the ball.

Linda Malone, Treasurer; Nancy Davis, Secretary; Kathy Smith, President; Judy Landes, Vice-President.

Yorick Troupe

The Yorick Troupe is a dramatic organization consisting of students interested in this field. Qualifications for membership are seventy-five hours of dramatic work, a good imagination, and enthusiasm. Students acquire these hours by participating in school plays, giving one act plays, assisting in school productions, and studying dramatic techniques.

Any person between the ages of twelve and eighteen who attends school and is a first offender is under the jurisdiction of this court. MEN ARE LIKE STREETCARS

"Men are like streetcars. If you miss one, there's sure to be another along soon." This bit of philosophy Maudie passes on to her pretty but shy cousin Joy, who, taking advantage of this knowledge, steals all of Maudie's boy-friends. Maudie, while trying to get her boy-friends back and her older sister married, sinks herself so deep in trouble she thinks the whole world is against her. As in all comedies, everything ends happily for everyone.

Mrs. Kelley and Mary Livermore, student director, discuss the play.

THE MAN WHO CAME TO DINNER

Sheridan Whiteside, a world famous radio announcer and idol of women, falls on the steps of the home of Mr. and Mrs. E. W. Stanley, where he becomes their "guest" for several weeks. During this time Maggie, Whiteside's secretary, falls in love with a young newspaperman, Bert. Whiteside, not willing to lose his secretary without a fight, calls Lorraine, a famous actress, to come and change Bert's mind about Maggie. This, along with his other schemes, doesn't work out, and after Whiteside leaves the Stanley home everything is all right.

The vocal department presents the annual Christmas and Thanksgiving programs, and takes a major part in the school-wide variety program, the Pon-Dram Panic, each spring. Swimming Teams

MR. HARMAN

Having the first swimming team in the history of Ponca City High School was only one of the many firsts attributed to the 1962 team. Competition with the top teams in Oklahoma and Kansas demanded the best performances by our swimmers throughout the season.

Because of the generous cooperation of the Continental Oil Company in letting our squad use their beautiful pool, we were able to get started. This year's team shows a promising future. There is much work and hardly any recognition involved in becoming a varsity swimmer. The values of working together and the joys of competition offered all the reward these swimmers desired. Under the tutorship of Mr. George Harman, the Continental coach and representative, and Mr. Dale Buck, the school coach, our swimming team can look forward to a successful career.

1961 Oklahoma Girls' State and Boys' State

It is indeed a great honor to be chosen to go to Boys' or Girls' State, as anyone of these students can tell you. Fifteen boys and twelve girls were nominated by the class to attend. These boys and girls then made speeches to the various civic groups in the city. Twelve of the fifteen boys were selected by men's organizations to attend Boys' State on the University of Oklahoma campus. Women's organizations sent four girl delegates to Girls' State on the Oklahoma College for Women campus. The American Legion Post sent one girl delegate and one boy delegate from the American Legion Home School.

Attending Boys' State or Girls' State has a special meaning to each delegate. However, there are certain purposes for having these model governments. Our purpose, of course, is to become acquainted with people throughout the state. The main purpose is to help tomorrow's leaders understand more thoroughly how our state government functions. This is accomplished by attending classes, campaigning for offices, and electing officials for Boys' or Girls' State.

The Ponca City Chapter of the National Honor Society of Secondary Schools has been re-established at the senior high school. The object of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of the Ponca City Senior High School.

Membership is based upon Scholarship, Service, Leadership, and Character. A National Honor Society member must maintain the standards for membership in order to retain his membership. As a member, he is entitled to wear the emblem of the national organization.

The Julio Jimenez Rueda Chapter of the Sociedad Honoraria Hispanica was established in the Ponca City Senior High School in 1960 with ten members. From that group and completing their fourth year of Spanish are Linda Fair, Dorothy Hack, and Skip Norris. In 1961 seven more were elected, with the following students still in school and completing three years in Spanish: Linda Schmidt, Susan Smith, Steve Randel, and Douglass Souligny. The new members for 1962 are Mike Dwyer, Judy Hull, and Lana Hamrick.

Membership in this honor society consists of students who have maintained an A average in a minimum of three semesters of Spanish.

The purpose of this society is to recognize outstanding achievement in the study of Spanish and to promote a continuity of interest in Hispanic study.

Student

The Student Council is the most important organization in our school in that it encourages student participation in the government of Ponca City Senior High School. It is aimed at being a miniature democracy with the governing body chosen from the students by the students. This year's Student Council has both well-qualified officers and members.

This is the place where students may discuss activities, voice the opinions of the homerooms they represent, consider and help form school policies and practices, and suggest and make plans for projects for the group, which are then evaluated and completed.

The 1962 CAT TALE is the result of much hard work on the part of those who have been closely connected with it. We wish to express our appreciation to all of the co-operative students and faculty members who made this annual possible.

The staff sincerely wishes the best of luck to all of you, wherever you are in the years to come. We hope you will enjoy reading your annual and remembering your days at Po-Hi as much as we have enjoyed preparing it for you.
